

PORTFOLIO

Hello!

My name is Musiimenta Agnes.

I am persuing a diploma in Computer Science at Women's Institute of Technology and Innovation.

Below are the pages that contain my designs and within there are different menus, flyers ,posters and newspapers. I have designed the different projects as I upgrade my skills in graphic designing in this course.

This is my Graphics portifolio and it contains some samples of my designs that I have been able to come up with throught the course. I am looking forward to designing the best and more intersting work as time goes on . It has been an interesting journey all over.
